

Hyperbaric Medicine Team Training

An Introductory Course in Hyperbaric Medicine

Offered Monthly

Drury Plaza Hotel San Antonio Riverwalk, San Antonio, Texas

Course Description

This 4 ½ day course is an interprofessional educational activity that provides a team approach to filling a knowledge gap and a first step toward credentialing or certification in this specialized field of medicine. HMTT is approved as an introductory course in hyperbaric medicine by the Undersea & Hyperbaric Medical Society and the National Board of Diving and Hyperbaric Medical Technology. Academics include currently accepted standards for the safe application of hyperbaric oxygen therapy pertaining to both monoplace and multiplace chambers. The comprehensive curriculum is presented by a faculty of experts. The program offers an opportunity to experience a hyperbaric chamber pressurization.

Goal

Given the knowledge and strategies provided in this course, physicians should be able to seek hospital credentialing in a hyperbaric medicine department; and, nurses and technologists may start accumulating the necessary clinical hours toward certification. *Completion of this course does not constitute certification or credentialing.*

Who Should Attend

Physicians, nurses, and other allied health professionals providing patient care in either a multiplace or monoplace clinical hyperbaric medicine department. This course is a prerequisite to becoming a Certified Hyperbaric Technologist or Certified Hyperbaric Nurse, and for physicians seeking hyperbaric medicine credentialing with their hospitals.

Tuition

\$975 per person

Location

Hyperbaric Medicine Team Training is held at the Drury Plaza Hotel on the Riverwalk in historic downtown San Antonio.

Accommodations

Participants are responsible for their own travel, food, and lodging. A block of rooms is reserved at the Drury Plaza Hotel San Antonio Riverwalk at a special rate of \$120 (plus 16.75% hotel tax) per night for a single room (\$10.00 per each additional person). Reservations received after the Cut-Off-Date will be provided on a space-available basis at the prevailing rate.

Travel Schedule

Lectures will begin on Monday at 8:00 a.m. you may check-in starting at 7:30 a.m. The course adjourns at 12:00 noon on Friday. If you plan to leave San Antonio on Friday, you should select a flight that departs after 2:00 p.m.

Topics

Foundation Knowledge

History of Hyperbaric Medicine
Physical Effects of Pressure Change
Physiology & Pharmacology of Hyperbaric Oxygen
Elevated Partial Pressure of Gases
Decompression Theory
Tissue Oxygen Measurement
Technical Aspects of TCOM

Safety*

Barotrauma
Fire Safety
Decompression Tables
Hyperbaric Standards & Guidelines
Hyperbaric Chamber Systems
Operational Chamber Safety

Practical Exercise

Monoplace Chamber Operations
Multiplace Chamber Operations
Transcutaneous Oximetry

Administrative

Documentation
Reimbursement
Professional Society Resources
Hyperbaric Facility Management

Clinical

Acute Traumatic Peripheral Ischemia
Arterial Gas Embolism
Carbon Monoxide Poisoning
Compromised Flaps & Grafts
Decompression Sickness
Exceptional Blood Loss Anemia
Intracranial Abscess
Gas Gangrene
Necrotizing Fasciitis
Osteomyelitis
Radiation Injury
Selected Problem Wounds
Thermal Burns
Ancillary Equipment
Interpretation of TCOM
Side Effects and Contraindications

Ethics*

Off-label uses of HBOT

Course Evaluation

Final Written Exam
Course Review & Critique

** This course includes 1 hour of ethics content and 6 hours of safety content*

Faculty

John Feldmeier, DO
Ruben Galvan, RN, CHRN
Robert Johnson, DDS
Kevin Posey, CHT
Michael F. Richards, MD, UHM, Col, USAF
Jayesh Shah, MD
James Sheffield, BBA, CHT
Paul Sheffield, PhD, CHT

Robert Sheffield, BA, CHT
Rasa Silenas, MD
R. Lee Williams, MD
E. George Wolf, Jr., MD
W. Tom Workman, MS, CHT
Ann L. Ziemba, RN, ACHRN

Continuing Education Credit

Physicians

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Undersea & Hyperbaric Medical Society (UHMS) and International ATMO, Inc. The UHMS is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The UHMS designates this live activity for a maximum of 41 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nurses

This continuing nursing education activity was approved by the Texas Nurses Association - Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Contact hours: 35.16

Disclosures and Disclaimers

Disclosure: All faculty members and planners participating in continuing medical education activities sponsored by International ATMO are expected to disclose to the participants any relevant financial relationships with commercial interests. Full disclosure of faculty and planner financial relationships will be made at the activity.

UHMS Disclaimer: The information provided at this CME activity is for Continuing Medical Education purposes only. The lecture content, statements or opinions expressed however, do not necessarily represent those of the Undersea and Hyperbaric Medical Society (UHMS), its affiliates or its employees.
