

# The Wound Care Course

Offered Monthly

Drury Plaza Hotel San Antonio Riverwalk, San Antonio, Texas

## Course Description

This 13-hour program is designed to help physicians, nurses, physical therapists and other health care professionals understand appropriate assessment and clinical management of all types of chronic wounds.

## Objective

Upon completion of the course, participants should be able to perform wound assessment, select appropriate wound dressings, and understand the application of advanced therapeutic modalities. *Completion of this course does not constitute certification or credentialing.*

## Who Should Attend

Physicians, nurses, physical therapists, and other health care professionals who provide chronic wound care. Program Director reserves the right to refuse admission to any individual applicant.

## Tuition

\$250 per person

## Accommodations

Participants are responsible for their own travel, food, and lodging. A block of rooms is reserved at the Drury Plaza Hotel San Antonio Riverwalk at a special rate of \$120 (plus 16.75% hotel tax) per night for a single room (\$10.00 per each additional person). Reservations received after the Cut-Off-Date will be provided on a space-available basis at the prevailing rate.

## Location

The Wound Care Course is held at the Drury Plaza Hotel located on the Riverwalk in downtown San Antonio.

## Travel Schedule

Lectures will begin on Friday at 1:00 p.m. you may check in starting at 12:30 p.m. The course ends at 6:00 p.m. on Saturday. If you plan to leave San Antonio on Saturday, you should select a flight that departs after 8:00 p.m.
