Inspection, Maintenance, and Documentation of Hyperbaric Chamber Acrylics
Drury Plaza Hotel, San Antonio, Texas

Course Description
This 4-hour program addresses the care of acrylic windows on clinical hyperbaric chambers. The curriculum includes inspection and documentation of acrylics including types of acrylic damage and what constitutes excessive damage. There is a competency exam and a skills laboratory on inspection and polishing of acrylic.

Objective
Upon completion of this activity participants should be able to apply techniques for protection, maintenance, inspection, minor repairs, and appropriate documentation of chamber acrylics.

Who Should Attend
This course is appropriate for anyone who operates and/or maintains a hyperbaric chamber.

Tuition
$125 per person

Accommodations
Participants are responsible for their own travel, food, and lodging. A block of rooms is reserved at the Drury Plaza Hotel San Antonio Riverwalk at a special rate of $117 (plus 16.75% hotel tax) per night for a single room ($10.00 per each additional person). Reservations received after the Cut-Off-Date will be provided on a space-available basis at the prevailing rate.

Location
Hyperbaric Chamber Acrylics Course is held at the Drury Plaza Hotel located on the Riverwalk in historic downtown San Antonio.

Travel Schedule
Lectures will begin 8:00 a.m. You may check in starting at 7:30 a.m. The course ends at 12:00 p.m. If you plan to leave San Antonio that day, you should select a flight that departs after 2:00 p.m.
