

The Wound Care Course

(Not affiliated with WCC certification)

Course Description

This 1½ day program addresses appropriate assessment and clinical management of all types of chronic wounds. Academics include: physiology of wound healing, general principles of wound care, in-depth discussion of various wound types, and advanced wound care modalities. Labs include topical wound dressings and a variety of skills. *Completion of this course does not constitute certification or credentialing.*

Objective

Upon completion of this activity, the participant should gain knowledge of chronic wound care leading to an improvement in patient care.

Who Should Attend

Physicians, nurses, physical therapists, and other health care professionals who provide chronic wound care.

Tuition

\$250 per person

Location

Until further notice, this course is conducted over the Zoom meeting platform. When conducted in person, the course is conducted at the Drury Plaza Riverwalk Hotel in downtown San Antonio.

Accommodations

Participants are responsible for their own travel, food, and lodging. A block of rooms is reserved at the Drury Plaza Hotel San Antonio Riverwalk at a special rate. Reservations received after the cut-off-date will be provided on a space-available basis at the prevailing rate.

Schedule

Lectures will begin on Friday at 1:00 p.m. Central Time. You may check in starting at 12:30 p.m. The course ends at 6:00 p.m. Central Time on Saturday.
