

## Travel Info for HFM2 & AC Courses

This travel information applies to both Hyperbaric Facility Maintenance-Module 2 (HFM2) and Hyperbaric Chamber Acrylics (AC) courses. Separate registration is required for these courses.

### Location

Healogics Simulation Lab  
6500 Bowden Road, Suite 303  
Jacksonville, FL 32216

### Travel

Participants are responsible for their own travel, food, and lodging. The Simulation Lab is 22 miles (approx. 30 minutes) from Jacksonville International Airport (JAX). JAX has a variety of rental car options. Uber and Lyft both offer pickup at the terminal curbside.

### Accommodations

There are no hotels within walking distance of the Simulation Lab, but there are many hotel options within 5 miles, including:

LaQuinta Inn & Suites  
4686 S Lenoir Ave

Fairfield Inn & Suites  
4888 Lenoir Ave
